WELCOME TO: *Our World of Friendly Flags™.*

When you search for U.S.A. ALL AMERICAN™ using [www.bing.com](http://www.bing.com), you get to know that we are a private label company offering the highest quality products out of the U.S.A. today. From the get-go, U.S.A. ALL AMERICAN™ has been all about promoting U.S.A. products for **EXPORT**.

**Ahhh but**, as these are *Friendly Flags™* pages – these pages are all about **IMPORTS!** So, if you are waving a Friendly Flag, then we want to **BUY** highest quality products from **YOUR COUNTRY!** Our future goals & objectives for this web site are to seek out worldwide unique products not readily available at other sites – and - some items will be custom made for us. We attempt to explain as follows.

*In God we trust*

*Friendly Flags™* = OUR FUTURE FOR PROGRESS

LONG TERM GOALS & OBJECTIVES

**ASIA AFRICA ANTARCTICA AUSTRALIA EUROPE NORTH AMERICA SOUTH AMERICA**

## **BACKGROUND:**

After we came up with the idea to offer our car-care products as a fundraising opportunity for local schools, hospitals, and favorite charities, we came up with a campaign slogan we branded: Fundraising & **FUEL-Savings™**. Since all we do around here is think, we then decided to take on some **FUN** products unrelated to the automotive and industrial industries; thereafter Fundraising & **FUN-Raising™** was born.

Yep, we were still thinking. So, after that we thought: Why not extend this concept not only to help ourselves and charities right here in America, why not extend this idea to help charities throughout the world; therefore, we added a world-wide fundraising campaign marketed under **EMERGENCY-FUND RAISING™** in an effort to raise dollars for when Mother Nature strikes – no matter where she strikes. Detailed information relating to the aforementioned campaigns may be found by clicking on the above **FUNDRAISING** tab.

**BUT WAIT!!** THEN WE ASKED OURSELVES: What about the future and growth for U.S.A. ALL AMERICAN™? Although we shall continue to develop new product ideas for export, for Founder this was not far-reaching enough; so again, we put on our thinking caps. Yep, there must be more we could do. Therefore, we decided to broaden and apply this concept by putting our trusted U.S.A. ALL AMERICAN™ brand on highest quality products from around the world **for IMPORT**. Here's how that will work:

Brazil

When one travels to Brazil, one marvels at the Christ the Redeemer statue (created by Polish-French monument sculptor Paul *Maximilien* Landowski). When in Brazil, the soapstone souvenir is readily available; however, after returning home, the soapstone version is nowhere to be found. That 12 inch statue is grand for a bookshelf or dresser; it should be available to those without opportunity to visit South America.

*Friendly Flags™* = OUR FUTURE FOR PROGRESS

LONG TERM GOALS & OBJECTIVES

**ASIA AFRICA ANTARCTICA AUSTRALIA EUROPE NORTH AMERICA SOUTH AMERICA**

Therefore, one of our goals would be to IMPORT & MARKET the soapstone version to all charities that in turn will market same to their patrons. When we export to Canada charities (for example), the Redeemer statue will be shipped on our behalf directly from Brazil to Canada – of course - the bottom of the statue would be carved: *Made in Brazil for U.S.A. ALL AMERICAN™*.

Sweden

Founder has a favorite cracker; the crackers are made in Sweden. If we could import the crackers that we would brand: *Founder's Favorite Cracker™*; all of us here in the U.S. would be helping Sweden with its exports/economy. Yes, we at U.S.A. ALL AMERICAN™ would be extremely proud to market that hard-to-find cracker under our trusted brand name. Of course, we could come up with our own *Founder's Favorite Cracker™* manufactured right here in America, but that would defeat the purpose of this *Friendly Flags™* adventure!!

**WHAT??** You want more examples?? **OKAY**, here goes !!

South Africa

Founder has a favorite souvenir from South Africa. It was purchased on the streets of Pretoria – it's a beaded giraffe – not worth a lot of money – but a treasure none the less. Because the beaded giraffe would be a lower cost item, it would be a grand addition to any charity - and who doesn't like giraffes??

**OR, HOW ABOUT EUROPEAN GOLD ??** Due to high demand, we shall offer expensive limited edition items crafted especially for U.S.A. ALL AMERICAN™. If we keep this up, soon we shall be as well known as Walmart®, Exxon®, or Apple®!! Ahhh, but guess what folks - that's the idea!!

*Friendly Flags™* = OUR FUTURE FOR PROGRESS

LONG TERM GOALS & OBJECTIVES

**ASIA AFRICA ANTARCTICA AUSTRALIA EUROPE NORTH AMERICA SOUTH AMERICA**

We have already put this concept to work by posting our first *Friendly Flags™* product imported from AFRICA we branded: **KENYAN COFFEE UNTAMED™**.

Needless to say, all of this will not happen overnight – it'll take some time – so where do we start – first we search out seven products - one from each continent - then a single product from each country - that's 200 more products – and - in-between – we shall search for products from the beautiful, remote, and independent islands scattered about the world (U.S.A. possessions included).

So, now you ask, why publish this page today? The Answer: We are proud to announce that we have found a **FUN** product that was designed in The Ukraine but will be manufactured right here in America. For sure it will become a collector's item and should bring in some real dollars for all charities world-wide.

We hope you will be excited about our new **FUN-Raising™** product we call: **LOOKING FOR A HOUSE!!™** YES - as countries buy from us – we buy from them – YES - we do unto one country as we would want that country to do unto us.

M.

Following is an alphabetical listing of every country in the world. *The United States of America* is extremely fortunate to have many friends – however – for educational purposes – all countries are listed – friends and foes alike. When Founder was in grammar school, the words ***pray for peace*** were often heard. It is important to pray - that someday - foes will become friends. Following is a friendly reminder to pray for peace.

*We express our gratitude to The Science Kids of New Zealand  
for providing the following festive showing of their Flags of the World.*

**HERE'S A MESSAGE FROM THE SCIENCE KIDS:** *Enjoy a range of free flag pictures from different countries around the globe. There are around 200 countries in the world, including large ones, small ones, old ones, new ones, disputed ones, and some controlled by other countries or kingdoms (politics is complicated!).
